PUBLIC HEARING NOTICE
River Road Water Project
NOTICE OF PROJECT PLAN PUBLIC HEARING
RIVER ROAD PUBLIC WATER EXTENSION PROJECT
Bedford Township, Calhoun County

TO ALL INTERESTED PERSONS IN BEDFORD TOWNSHIP:

PLEASE TAKE NOTICE that Bedford Charter Township will hold a public hearing Monday the 27th day of June, 2022 at 7:00 PM in the Township Board meeting room at 115 S. Uldriks Dr. Battle Creek, MI 49037, to consider a Project Plan. The purpose of the project is to provide safe drinking water to an area impacted by recently discovered PFAS contamination. Project construction will involve placement of public water main and services along River Road from the City of Battle Creek's wastewater treatment plant to and along Stringham Road, and north across the Kalamazoo River. The impacts of the proposed project include monthly water fees to the properties along the route of the new water main, disruption of traffic along the route during construction, and temporary impacts to the environment during construction. The estimated costs to the users of the proposed project are the current City of Battle Creek water billing rates for Bedford Township. The estimated total project cost is \$5.1 Million. The Township intends to finance the project through the Drinking Water Revolving Fund program.

Copies of the plan detailing the proposed project are available for inspection at the Bedford Township Office.

Written comments received before the hearing record is closed on June 27th, 2022 will receive responses in the final Project Plan. Written comments should be sent to:
